

# Uniformity and Standardization Committee

National Association of Unclaimed  
Property Administrators

# Mission

- ◆ The mission of the Uniformity and Standardization Committee is to develop and foster uniform legislation, practices or procedures related to the administration of state unclaimed property laws and programs.

Uniformity and Standardization Committee

# Committee Goals

- ◆ To work with representatives from the public and private sector, to identify areas where standardization might be possible within unclaimed property programs.
- ◆ To encourage, foster and increase the knowledge of why uniformity and standardization is important.
- ◆ To increase awareness of the importance of uniformity and standardization within the unclaimed property community.

Uniformity and Standardization Committee

# Committee Goals

- ◆ To organize events at national conferences or meetings that address these goals.
- ◆ To target groups who have issues relevant to standardization and uniformity.
- ◆ To assist the NAUPA Executive Committee, member states and unclaimed property stakeholders, by identifying those areas where standardization and uniformity need to occur. In that effort, to determine how this can be accomplished either through changes in industry practices, state practices or procedures and or law and rule changes.

Uniformity and Standardization Committee

# Committee Structure

- ◆ The committee will be the steering committee that will bring forth to the NAUPA Executive Committee and other associations (Unclaimed Property Holder Liaison Council, Securities and Exchange Commission and others), our committee recommendations.
- ◆ The committee can be expanded by the creation of subcommittees;
- ◆ The committee can be expanded by the NAUPA President at any time.

**Uniformity and Standardization Committee**

# Conference calls

- ◆ If someone wants to; call in, listen, provide input or ask questions, that will be granted unless an objection is raised by a committee member.
